

## Amber Teegardin

I have a background in education with degrees in Early Childhood and Elementary (K-8) Education as well as School Administration. I spent several years teaching middle school and went on to be a middle school Assistant Principal in Missouri and Minnesota before leaving the field to raise a family. I currently live in Aldie Va. with my husband Mike and two daughters Ellie and Katie, who were confirmed at Emmanuel in the fall of 2022. I was baptized in Louisiana and confirmed in St. Louis. Between those two events, my family lived overseas where we found consistency and community within the Episcopal/ Anglican Church. I grew up in a family that was always active in church, in fact, after retiring from the corporate world my father attended Sewanee Seminary and is now an ordained Episcopal Priest in Georgia. I became an interim Vestry member in 2023 when a current member relocated.
